

# Abacus Seattle

## What is abacus?

The abacus is very useful since it not only improves math and calculation skills, but also enhances concentration, patience and memory. As a result, it helps boost your overall mental capability and capacity, and can be useful from children just starting school, to adults trying to maintain their mental health.

- Q.** Can we start class anytime?  
**A.** You can start class anytime. If you start in the middle of the month, we can prorate your tuition for only first month.
- Q.** If we missed class, can we have makeup?  
**A.** Yes, you can request a makeup class if we're notified by noon on the day of the class.
- Q.** Our son is 4 years old. Can he join?  
**A.** If he can write/read numbers from 0 to 10, and count the number of the object, then he is eligible to attend our abacus class.
- Q.** Can we change our class schedule?  
**A.** Yes, you can request to change/move your class to other if we have available slots.
